

Mission Statement

At **Fast Freddie's Tyre Service** we pride ourselves on providing to all our customers the very best service, the correct advice on all your tyre needs, excellent response times for onsite service and all this at the right price. Hence our ongoing mission statement. Fast Freddie's Tyre Service trades under the banner of Michelin Service Centre, which is part of Michelin Australia!!!

"Michelin Australia is definitely an industry leader in tyre retailing and associated tyre services and will continue to grow an expanded, highly professional tyre retail network in the Australian market."

We, at Fast Freddie's Tyre Service will enhance the value of our recommended brands to all our customers. We will achieve this through effective brand management, superior customer service, investing in the latest technology, quality training, and we will maintain a professional store presentation.

Most importantly we will offer our customers the best available brands, the most accurate advice and without hesitation, competitive prices and all this within a safe and reliable work environment."

Michelin's Mission Statement

To make a sustainable contribution to progress in the mobility of goods and people by constantly enhancing freedom of movement, safety, efficiency and pleasure when on the move.
